Britain, which received hundreds of thousands of Jewish refugees from the Pale of Settlement and Poland at the end of the 19th century, was not always so cagey. It was confidently predicted, across the board, that the US would go right back into depression after the war; therefore something had to be done, the business press was frank about it. The main character is a virtuoso girl who is considerably younger than the others who has a serious case of unrequited love for the big man on campus.
