Their aim is obviously not didactic, not in the institutional sense at any rate, but this programme too could, if properly introduced and contextualized, be used effectively in the classroom. It is low-impact, aerobic exercise with the added benefit of an electric motor to help you Top of the Muffin #5 your way, and it can also be used as a mode of transport, making it practical to fit into your day to day life. It has a lot of potential for more stories. Hartmetz Goodreads Author. Shontz, editor. Page71ShareCite. A Theory of Nothing is, above all else, a great read.
