a forger have had the wit to select the most peculiar and characteristic thoughts of Plato; would he have caught the spirit of his philosophy; would he, instead of openly

borrowing, have half concealed his favourite ideas; would he have formed them into a whole such as the Laws; would he have given another the credit which he might have obtained for himself; would he have remembered and made use of other passages of the Platonic writings and have never deviated into the phraseology of. The trivial solution that, there is no justice in the world was not satisfactory.
