## **Beyond Seduction (Bastion Club Book 6)**

I have not seen these stories since then; but their incidents are as fresh in my mind as if I had read them yesterday. I am extremely busy in my day job and with life in general but I believe very much in the personal investment in reading the pages of books.

## **The Modern Delusion V2: The Progress of Irrationality**

I received this book from the author in exchange for an honest review. However, for software that is going to be used in critical applications, such as medical, financial, or defense related software, you may want to increase the level of rigor.
