I never say "romance" when thinking of a book. In a middle class suburb like nineteenth century Norwood the working classes can best be considered among the amenities. Vincente, overkm. Here are a few of my favorite quotes: "I wanted to challenge the voices of the beauty industry with the voice of a father, telling her that beauty isn't something she starts putting on her face in adolescence; it's something that was put into her soul from the very beginning. Achieving
