Acolyte (The Wildermoor Apocalypse Book 1)

But when my wishes land me in the private suite of a mysterious masked, dark-eyed stranger, I get more than I bargain for and can only hold on for the ride when my desires become everything I ever wanted.

The Northwoods Chronicles

Pizza has entered India in a big way, but chains like Pizza hut and Domino's have been forced to Indianize the pizza and introduce adaptations like paneer-tikka pizza. It was not far away from there, some hundred and something years before, that Tesla had it built the first hydro-electric power plant in the world.

Does the "anthropic principle" - the notion that the existence of intelligent observers like us is in some sense a factor in the universe's existence - have any useful part to play in cosmology. But it remains one of the few films of recent times that's genuinely surprised me, and taken turns I didn't, at least in the early stages, see coming.
